INDEPENDENT AUDITOR'S REPORT

County Board of Commissioners Franklin County, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of the fiduciary funds of the Franklin County Circuit Clerk, Illinois as of and for the year ended November 30, 2019, and the related notes to the financial statements, which collectively comprise the Circuit Clerk's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Circuit Clerk's fiduciary funds of Franklin County, Illinois as of November 30, 2019, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note A, the financial statement presents only the fiduciary fund of the Circuit Clerk and does not purport to, and does not, present fairly the financial position of Franklin County, Illinois as of November 30, 2019 and the changes in its financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

The Franklin County Circuit Clerk, Illinois has omitted a management's discussion and analysis for the fiduciary fund that accounting principles generally accepted in the United States of America require to be presented to supplement the financial statement. Such missing information, although not a part of the fund financial statement, is required by the Governmental Accounting Standards Board which considers it to be an essential part of the financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. Our opinion on the fund financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the fiduciary funds of the Franklin County Circuit Clerk, Illinois' basic financial statements. The information included in the Statement of Changes in Fiduciary Assets and Liabilities, Report J Annual Financial Report, and the Schedules of Revenue, Expenditures, and Changes in Fund Balance are presented for the purpose of additional analysis and are not a required part of the financial statement. Report J Annual Financial Report provides relevant information that is not provided by the fiduciary fund financial statement, and is not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. Report J Annual Financial Report is based on guidelines of the Administrative Office of the Illinois Courts.

The Statement of Changes in Fiduciary Assets and Liabilities, Report J Annual Financial Report, and the Schedules of Revenue, Expenditures, and Changes in Fund Balance are the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, Report J Annual Financial Report is fairly stated in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated April 3, 2020 on our consideration of the Circuit Clerk's internal control over financial reporting of the fiduciary fund and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Franklin County Circuit Clerk's internal control over financial reporting of the fiduciary fund and its compliance.

Restricted Use of this Auditor's Report

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER COMPLIANCE

County Board of Commissioners Franklin County, Illinois

Compliance

We have examined the Franklin County Circuit Clerk, Illinois' compliance with the requirements listed below during the year ended November 30, 2019. The management of the Franklin County Circuit Clerk, Illinois is responsible for compliance with these requirements. Our responsibility is to express an opinion on the Franklin County Circuit Clerk, Illinois' compliance based on our examination.

- A. The Circuit Clerk has properly assessed fines, fees, costs, penalties, and judgments in accordance with the purpose authorized by law.
- B. The Circuit Clerk has properly distributed fines, fees, costs, penalties, and judgments in accordance with the purpose authorized by law.
- C. The Circuit Clerk has timely assessed and distributed monies in accordance with the purpose authorized by law.
- D. The Circuit Clerk has complied, in all material respects, with applicable laws and regulations in its financial and fiscal operations.
- E. The Circuit Clerk has properly and legally administered money or negotiable securities or similar assets and the accounting and recordkeeping relating thereto has been proper, accurate, and in accordance with the law.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants; the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the annual audit requirements included in the Clerks of Courts Act(Act); and the Circuit Clerk Audit Guidelines as noted by the Act. Those standards, the Act, and the Circuit Clerk Audit Guidelines require that we plan and perform the examination to obtain reasonable assurance about whether the Franklin County Circuit Clerk complied, in all material respects, with the specified requirements listed above. An examination involves performing procedures to obtain evidence about whether Franklin County Circuit Clerk complied with the specific requirements listed above. The nature, timing and extent of the procedures selected depend on

our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Franklin County Circuit Clerk's compliance with specified requirements.

In our opinion, the Franklin County Circuit Clerk complied, in all material respects, with the requirements listed in the first paragraph of this report during the year ended November 30, 2019.

The purpose of this report on compliance is solely to describe the scope of our testing and the results of that testing in accordance with the requirements of the annual audit requirements included in the Clerks of Courts Act (Act) and the Circuit Clerk Audit Guidelines as noted by the Act. Accordingly, this report is not suitable for any other purpose.

Internal Control

Management of the Franklin County Circuit Clerk, Illinois is responsible for establishing and maintaining effective internal control over compliance with requirements listed in the first paragraph of this report. In planning and performing our examination, we considered the Franklin County Circuit Clerk's internal control over compliance with the requirements listed in the first paragraph of this report to determine the examination procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the annual audit requirements included in the Clerks of Courts Act (Act) and the Circuit Clerk Audit Guidelines as noted by the Act, but not for the purpose of expressing an opinion on the effectiveness of the Franklin County Circuit Clerk's internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Franklin County Circuit Clerk's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with the requirements listed in the first paragraph of this report on a timely basis. A material weakness over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a requirement listed in the first paragraph of this report will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the annual audit requirements included in the Clerks of Courts Act (Act) and the Circuit Clerk Audit Guidelines as noted by the Act. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

County Board of Commissioners Franklin County, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the fiduciary funds of the Franklin County Circuit Clerk, Illinois as of and for the year ended November 30, 2019, and the related notes to the financial statements, which collectively comprise the Franklin County Circuit Clerk, Illinois' basic financial statements, and have issued our report thereon dated April 3, 2020.

Internal Control-over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Franklin County Circuit Clerk, Illinois' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Franklin County Circuit Clerk, Illinois' internal control. Accordingly, we do not express an opinion on the effectiveness of the Franklin County Circuit Clerk, Illinois' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Franklin County Circuit Clerk, Illinois' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
