

Annual Report of Activities

Annual Report of Activities July 2020 - June 2021

Lorie LeQuatte, Regional Superintendent of Schools
Mandy Horn, Assistant Regional Superintendent

Safety. Support. Success

Dear Friends of Education,

Another school year has flown by and has been a year unlike any other. I am proud to present this detailed annual report of what we accomplished and where we faced challenges for the fiscal year covering July 1, 2020 to June 30, 2021.

As Regional Superintendent of Schools for Franklin, Johnson, Massac, and Williamson Counties, it is my honor and privilege to lead such a talented and dedicated ROE21 team working to maintain high standards of excellence in our educational community through *Safety, Support, and Success*. The Regional Office of Education supports and strengthens our educational communities' efforts through services that ensure safer schools, well-trained educators, and opportunities for all learners. As you will see in this year's annual report, we ensure *safety* by making sure students go to school in safe buildings with respectful environments. This is accomplished by providing *support* for our teachers and administrators to be better skilled through professional development, leadership training, and licensure navigation. Our goal remains the same: to provide the necessary support to ensure that our students have *success* in their education.

Never has our purpose been more challenged, or proven more necessary, than in this past school year. I am exceptionally proud of my staff and our region's educators for setting aside excuses and just getting the job done, despite the challenges of COVID19.

Every day, educators report to work – even with the obstacle of adapting to a virtual work environment – to keep students and schools safe and provide the support they need to succeed. Stronger schools mean stronger communities, and better futures.

ROE 21 has been diligent in its' grant writing efforts and advocating for resources for Southern Illinois. I am excited to announce that ROE21 has been identified as the LEAD ED Hub for Southern Illinois! This identification has been instrumental in bringing much needed resources and grants to support our schools and educators. We continue to focus on reducing redundancies, sharing resources, increasing resources, creating more meaningful partnerships and advocating collectively to address issues facing our schools.

I would also like to announce that the ROE21 Williamson County office moved to a new location in Marion and to thank the Williamson County Public Building Commission for their support of education in our region!

Please take a moment out of your busy day to read through the work ROE 21 has accomplished this year. When you next interact with an educator, give them a quick word of appreciation – it means more than you can imagine right now.

Yours in Education,

Lorie LeQuatte

Lorie LeQuatte, Regional Superintendent

BUS DRIVER TRAINING

The Regional Office of Education 21 offers bus driver training courses required by the Illinois State Board of Education. While delivering the "Initial" and "Refresher" training courses, bus safety is emphasized. The modules for the courses are updated annually as we prepare drivers to transport our students. Interest in bus driver training continues to grow rapidly in our region.

A total of 354 individuals registered for bus classes from July 1, 2020 - June 30, 2021:

- Initial Bus Driver Trainings - 6
- Drivers Served in Initial Training - 46
- Refresher Bus Driver Trainings Held - 12
- Drivers Served in Refresher Training - 308

FINGERPRINTING (105 ILCS 5/10-21.9)

The Regional Office of Education provides fingerprinting services for all our public school districts. The Illinois School Code requires all new employees to have both a State and FBI criminal background check. Last year, approximately 1049 people were fingerprinted. The electronic submission of fingerprints allows the ROE to typically receive results within 24 hours, so a school district can begin employment immediately.

Fingerprinting Services (The Firm)

County	Qtr 1	Qtr 2	Qtr 3	Qtr 4	Totals
Franklin	70	52	44	112	278
Johnson	37	16	10	22	85
Massac	91	42	34	70	237
Williamson	154	69	79	147	449
Totals	352	179	167	351	1049

HEALTH LIFE SAFETY

The Regional Office of Education (ROE) issues building permits for all school building projects subject to the requirements of 23 IL

Administrative Code Part 180.

ROE staff review the documentation submitted to verify proper procedure and execution by the architect and the school district.

During the 20-21 School Year

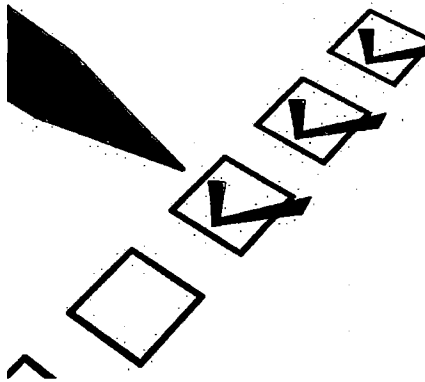

- 58 Buildings Inspected
- 15 Building Permits Issued
- 5 Occupancy Permits Issued
- 15 Completion Permits Issued
- 20 10 Year Survey
- 22 Maintenance Grants

COMPLIANCE REVIEW

Each school district located within Franklin, Williamson, Johnson, and Massac counties are visited every other year on a rotating schedule by the Regional Office of Education Superintendent and Assistant Superintendent to verify they are compliant with the 23 IL Administrative Code Part 1 Operational Requirements. Licensed personnel files are reviewed to verify that assignment requirements are being met. School board responsibility, policies and procedures, budget records, curriculum, and other mandates are also reviewed for compliance.

Buncombe CSD #43, Crab Orchard CUSD #3, Christopher CUSD #99, Herrin CUSD #4, and Vienna ESD #55 compliance reviews were completed this year.

REGIONAL SAFE SCHOOL PROGRAM AND ALTERNATIVE EDUCATION

S.T.A.R. Quest Academy Regional Safe School (RSSP)

Success Through Acting Responsibly

S.T.A.R. Quest Academy Regional Safe School (RSSP) serves expulsion-eligible and suspension-eligible students in grades 6-12. The statewide program began serving Illinois students in FY97 as established by 105 ILCS 5/13A of the Illinois School Code providing a system of alternative education programs for disruptive students. Because of the actions of a small number of disruptive students, local school districts face increasing problems in maintaining a safe environment for all students. Expelling or suspending disruptive students puts them on the street, which may increase safety and advance the learning environment inside the school premises but does not serve the educational needs of the expelled or suspended students or the community's need for public safety. We currently man this program in two locations.

The purpose of RSSP is twofold:

1. to increase safety and promote the learning environment in schools and to meet the particular educational needs of disruptive students more appropriately and individually in an alternative educational environment.

STARQuest Academy Regional Safe School Program educated 20 students in person this year and 2 students remotely.

Project E.C.H.O. Alternative Junior High and High School

The E.C.H.O. Alternative School Program has been in existence since 1989 providing educational services for students throughout ROE #21. The program emerged from an interest of local school administrators and educators to provide programming for students considered to be at-risk of dropping out of school. The program was initiated to provide students who did not qualify for special educational services and were not experiencing success in the traditional day school program, for a variety of reasons, with an option to continue their education.

Tiny, but mighty

Our alternative and safe schools are partnering with Resilient Southern Illinois, where our staff participates in training and the implementation of trauma informed practices. We are transforming our schools with the knowledge and best practices to meet the social emotional and educational needs to best support our students.

ECHO educated 159 students in person this year and 30 students remotely.

Both ECHO and STARQuest function as Trauma Sensitive Schools with trained staff and a focus on the whole child:

- A trauma-informed school promotes a safe and welcoming climate;
- Seeks to create a structured and predictable learning environment that minimizes unnecessary trauma and loss reminders;
- Focuses on building positive and attuned relationships between teachers and students, and among school staff
- Has anti-bullying and suicide prevention programs; and
- Uses a balanced restorative justice (a.k.a. restorative practices) approach to conflict and conflict mediation with appropriate disciplinary action.

HIGH SCHOOL EQUIVALENCY

PARTNERS AGAINST CHRONIC TRUANCY (PACT) INTERVENTION PROGRAM

Attendance Matters Every Day for Every Student at Every School

The PACT Program focuses on early intervention into truancy issues for students, educating students and families as to the consequences of missing even 2 days of school per month. Our goal is to identify the reasons for truancy and to provide supports to overcome barriers the family or student may be experiencing.

LICENSURE

The Regional Office of Education (ROE) is a local office, easily accessed by our constituents. Our Licensure Department answers inquiries and researches licensure issues for educators and school districts, as well as assisting educators with initial licensure applications, subsequent endorsement applications, and renewal/registration of licenses. Our Licensure Specialists have direct access to the Illinois State Board of Education (ISBE) in Springfield and use that access to facilitate licensure issues for educators/districts and to cut through any bureaucratic red tape.

School Service Personnel Employed					428

SUBSTITUTE TEACHER TRAINING

Illinois House Bill 5627 was signed into law on July 1, 2018. This law allows for individuals with 60 hours of college credit to apply for a short-term substitute (STS) teaching license. These STS license holders are required to complete training before working in the public schools.

As a service to Franklin, Johnson, Massac, and Williamson County school districts, The Regional Office of Education 21 has been offering substitute teaching training workshops that satisfy this requirement. The workshops have been open to anyone interested in substitute teaching in our region.

ROE 21 provided 3 trainings and led more than 52 attendees through the steps required to become a substitute teacher. They also covered topics such as expectations, classroom management techniques, and school safety. Time was allowed for answering questions, assisting those interested in completing a license application, and completing background checks for license holders.

Professional Learning Opportunities

PROFESSIONAL DEVELOPMENT

July 1, 2020-June 30, 2021

- Number of Events/Trainings.....59
- Number of Participants.....1014

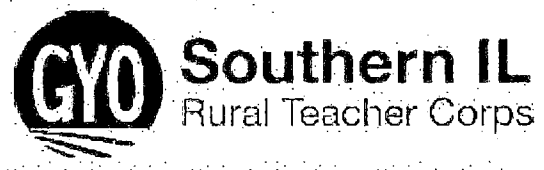

IL EMPOWER

Regional Office of Education #21 is an Illinois Empower Learning Partner. Schools, districts, partners, and the state work collaboratively to promote shifts in practice based on each school's improvement needs. IL Empower builds capacity in the areas of Governance & Management, Curriculum & Instruction, and Climate & Culture. Consultants through ROE #21 work with districts to provide individualized professional development for low and underperforming districts.

GROW YOUR OWN (GYO)

In collaboration with SIU Carbondale students in the Teacher Education Program receive support from the Regional Office of Education through purchasing laptops, software, and professional development. GYO candidates complete a traditional four-year college bachelor's degree in education. For those candidates who already have a bachelor's degree, they complete a master's in education or take the additional courses required to earn their teaching certification. GYO candidates must satisfy all the state requirements to become licensed teachers. GYO is not an alternative certification program. GYO candidates receive financial, academic, and emotional supports to assist them in completing their degrees. In return for the support provided by the program, GYO graduates commit to teaching at least five years in a high-needs school or in a high-needs teaching position. Currently ROE 21 and SIUC are supported 9 students this year.

ADMINISTRATORS' ACADEMY

The Regional Office of Education conducts Administrator Academies throughout the academic year in a variety of areas covering a multitude of topics. Some of the topics that were delivered during the 2020-21 school year included:

- Health Live Safety & Compliance
- Effective Professional Conversations
- Student Growth
- Legal Implication of Technology
- Teacher/Principal Evaluation
- Leadership
- Ethics
- School Climate and Culture

The Regional Office of Education #21 conducted 16 academies at the Williamson County Office during the 2020-21 school year, with approximately 206 participants attending.

LEARNING TECHNOLOGY CENTER (LTC)

LEARNING
TECHNOLOGY
CENTER of ILLINOIS

The Regional Office of Education #21 has teamed up with the Learning Technology Center of Illinois to provide technology based workshops in our region. The Learning Technology Center is a statewide program that supports all public K-12 districts, schools, and educators through technology initiatives, services, and professional learning opportunities. The goal in offering technology workshops in our region is to maximize school districts' access to technology and enhance the educators use of technology to improve educational opportunities for students. During the 2020-21 school year the Regional Office of Education #21, in cooperation with the LTC, offered the following free technology workshops:

- | | |
|--|---|
| <i>July 31, 2020 - Google Classroom 101</i> | <i>December 4, 2020 - Teaching with Chromebooks</i> |
| <i>August 4, 2020 - Google Classroom 101</i> | <i>January 22, 2021 - Digital Assessments with Google Forms</i> |
| <i>August 4, 2020 - Digital Assessments with Google Forms</i> | <i>February 5, 2021 - Designing Remote Learning Days</i> |
| <i>September 4, 2020 - Google Classroom 101</i> | <i>March 5, 2020 - Google Forms and Google Meet</i> |
| <i>October 2, 2020 - Google Tools to Support your Students 1</i> | <i>April 9, 2021 - Utilize Hyper Docs for Blended Learning</i> |
| <i>November 6, 2020 - Google Tools To Support Student 2</i> | <i>May 7, 2021 - Google Level 1</i> |

Leadership

Instructional Coaching Cohorts

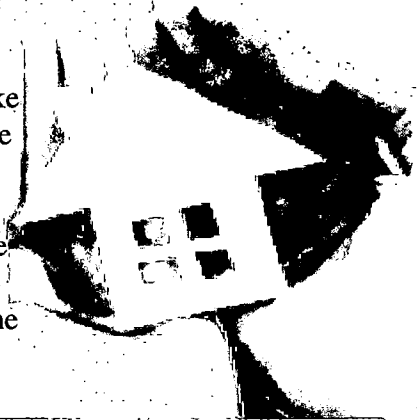

The Regional Office of Education #21 has offered leadership opportunities in instructional coaching for our local educators. Instructional Coaching is peer-to-peer coaching that encourages teachers to work together by observing one another during instruction, accessing and reflecting on what was observed, and then deciding what questions can be asked or what information should be shared to move teacher forward professionally. Dr. Kelly D. Stewart of McKendree University and former Superintendent in our region, facilitates the training sessions throughout the year based on the work of Jim Knight, focused on six domains:

1. Adult learning
2. Instructional coaching cycle
3. Using video recordings to gather data
4. Instructional practices described in an instructional playbook
5. Communication skills
6. Leadership skills

20-21 Instructional Coaching Cohort #3 Year One 35 Coaches
 20-21 Instructional Coaching Cohort Served 5 School Districts

AREA VI MCKINNEY-VENTO FEDERAL HOMELESS GRANT

The Regional Office of Education operates as the Fiscal Agent for the McKinney Vento Homeless Grant in the Southern 27 counties that make up Area VI of the Illinois Association of Regional Superintendents. The Lead Area Liaison and staff provide training and support to school district liaisons to assist with the identification of eligible students and removal of barriers to their education. Program staff serve as a resource to families as they navigate the law, in addition to networking with community agencies to provide aid to families and students in need. The ROE 21 Grant Coordinator oversees 146 Lead Liaisons throughout the southern 27 counties.

KIDS FOUNDATION PROGRAM

Families Served in Franklin and Williamson Counties (July 1, 2020 - June 30, 2021)

45

COATS FOR KIDS, INC.

The Coats 4 Kids, Inc. Program is a collaborative effort of Egyptian Building Trades, ROE 20, ROE 21, and ROE 30 to provide clothing for students in need living in 17 counties in Southern Illinois. The Egyptian Building Trades is the primary funding organization and the Coats for Kids Golf Scramble held every summer is the main fundraising event. The Coats 4 Kids Golf Scramble is an outstanding example of the community agencies and school districts working together for the better of our students in Southern Illinois.

	ROE 21 Students	ROE 20 Students	ROE 30 Students
Funds Distributed	\$4,063.27	\$1,750.80	0
Students Served	48	35	0

Unfortunately, this summer we were unable to host the Coat's for Kids Golf Scramble. However, due to donations we were able to provide \$12,000 of support for the students of ROE 30, 21, and 20. Thank you!

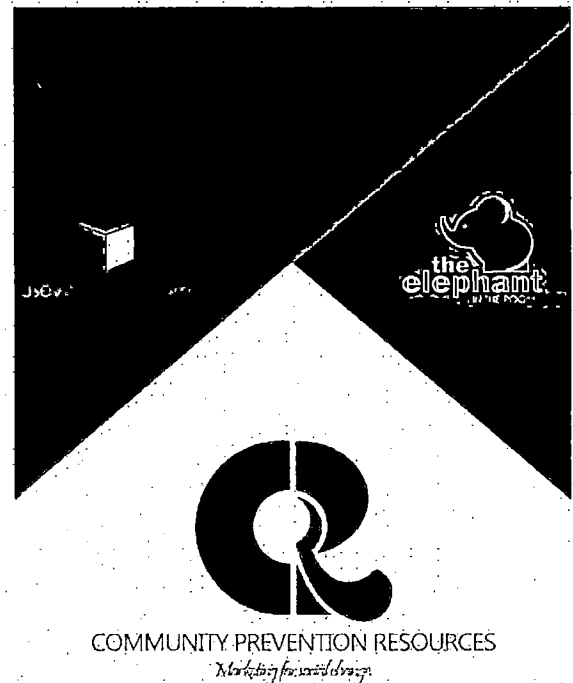

COMMUNITY PREVENTION RESOURCES (CPR)

Community Prevention Resources (CPR) is a comprehensive grant-funded program by the Illinois Department of Human Services (DHS) to provide substance abuse prevention services to communities in Franklin and Saline counties. The Regional Office of Education #21 serves as the administrative agent for the program and funds two full-time employees: Kate West, Director & Samantha Lampley, Prevention Specialist.

Communication Campaigns:

We distributed materials, collected and analyzed feedback from our three target audiences (Middle School Youth, Middle School Parents, and High School Youth), and started updating marketing plans for the 2021-22 school year.

Throughout 2020-21 we served two counties, five schools, and traveled approximately 5,640 miles to deliver programming.

FRANKLIN COUNTY REGIONAL DELIVERY SYSTEM FOR CAREER AND TECHNICAL EDUCATION (FCRDS-CTE) EDUCATION FOR EMPLOYMENT #525

FJMW Regional Office of Education serves as Fiscal Agent for the Franklin County Regional Delivery System for Career and Technical Education cooperative. The programs are funded by the Career and Technical Education Consolidated Grant, formerly the Federal Perkins Grant and State of Illinois Career and Technical Education Initiative Grant. Cooperating school districts include Benton Consolidated H.S., Christopher H.S., Frankfort Community H.S., Sesser-Valier H.S., Thompsonville H.S., and Zeigler-Royalton H.S.

The FCRDS is governed by the FCRDS Board of Control, which consists of Franklin County school superintendents and the ROE 21 Regional Superintendent. ROE 21 serves as the entity's fiscal agent.

FCRDS-CTE operates two "Regional" CTE classes available to Franklin County students:

1. Construction Trades Class
2. Entrepreneurial Development, Growth, and Education (EDGE) class.

"CTE Works for Students!"

REGIONAL BOARD OF SCHOOL TRUSTEES

The Regional Board of School Trustees is an elected board comprised of seven members. This elected board hears petitions for annexations, detachments, and changes in school district boundaries. The Regional Superintendent acts as *ex-officio* Secretary to the Board. The Regional Office maintains all records of petitions filed in the region. The main responsibilities of the Regional Board of School Trustees are:

- Hearing and disposal of petitions for change of school district boundaries
- Hearing and disposal of petitions by school districts to withdraw from Joint Agreements/ Cooperatives
- Appointment of appraisers and approval of final settlements in the division of assets when new districts are formed

CURRENT BOARD MEMBERS

1. *Jean Chamness serving Franklin County*
2. *Ronald Ellis serving Williamson County*
3. *David Goss serving Franklin County*
4. *Lou Parker serving Johnson County*
5. *Marleis Trover serving Johnson County*
6. *Shawn Tuhill President, serving Williamson County*
7. *Dwayne Wall in Massac County*

Regional Board of School Trustees meetings are held quarterly on the first Monday of July, October, January, and April; special meetings are scheduled as necessary.

FISCAL RESPONSIBILITY: TEACHER INSTITUTE FUND

The Teacher Institute Fund is a restricted fund to support educator licensure and professional development opportunities for the purpose of increasing student academic achievement.

(Illinois School Code 105 ILCS 5/3 -12).
