

## Regional Office of Education #21

Franklin – Johnson – Massac – Williamson Counties

*Lorie LeQuatte, Regional Superintendent of Schools*

---

Quarterly Report of Activities  
April 1, 2021- June 30, 2021

DATE: July 12, 2021

TO: Franklin, Johnson, Massac, Williamson County Boards

FROM: Lorie LeQuatte, Regional Superintendent of Schools for Franklin,  
Johnson, Massac, and Williamson Counties

SUBJECT: 4<sup>th</sup> Quarter Report

As Superintendent of the Regional Office of Education 21, Franklin, Johnson, Massac, and Williamson County Illinois, I hereby submit the Quarterly Report of activities of this office from April 1, 2021 through June 30, 2021. This report is an overview and is not inclusive of all the services and collaborative partnerships the Regional Office of Education provides as an educational leader for the benefit of the schools and citizens of our region. This report uses information from end of month reports of our programs and services from end of quarter school reports from the Illinois State Board of Education website to make this Quarterly Report as comprehensive as possible. We hope it will help you better understand the work our office and the educators of our region provide to ensure our schools are safe and nurturing places of learning where all people are valued and respected. [Article 3 of the School Code of Illinois (105 ILCS 5/3-5)]

## School Districts and Cooperatives Served by ROE #21

**Area VI McKinney-Vento Federal Homeless Grant**

The Regional Office of Education is the fiscal agent for the McKinney-Vento program and serves the school districts in the lower 27 counties of Illinois. The Lead Area Liaison and staff provide training and support to school district liaisons to assist with the identification of eligible students and removal of barriers to their education. Program staff serve as a resource to families as they navigate the law, in addition to networking with community agencies to provide aid to families and students in need.

*\*\*ROE 21 operates as the Fiscal Agent for this grant in the Southern 27 counties that make up Area VI of the Illinois Association of Regional Superintendents (LARSS) ROE 21, 20, 13, 30. Our Grant Coordinator oversees 146 Lead Liaisons throughout the southern 7 counties.*

**Coats 4 Kids, Inc.**

The Coats 4 Kids, Inc. Program is a collaborative effort of ROE 30, ROE 21, and ROE 20 to provide clothing for students in need living in 17 counties in Southern Illinois. The Egyptian Building Trades is the primary funding organization and the Coats for Kids Golf Scramble held every year in the summer as their main fundraising event. The Coats 4 Kids Program is an outstanding example of the community agencies and school districts working together for the betterment of our students in Southern Illinois. Unfortunately, this summer we were unable to host the Coat's for Kids Golf Scramble. However, due to donations we were able to provide \$12,000 of support for the students of ROE 30, 21, and 20. *Thank you!*

### **Instructional Coaching Cohorts**

The Regional Office of Education #21 has offered leadership opportunities in instructional coaching for our local educators. Instructional Coaching is peer-to-peer coaching that encourages teachers to work together by observing one another during instruction, accessing and reflecting on what was observed, and then deciding what questions can be asked or what information should be shared to move teacher forward professionally. Dr. Kelly D. Stewart of McKendree University and former Superintendent in our region, facilitates the training sessions throughout the year based on the work of Jim Knight focused on six domains:

1. *Adult learning*
2. *Instructional coaching cycle*
3. *Using video recordings to gather data*
4. *Instructional practices described in an instructional playbook*
5. *Communication skills*
6. *Leadership skills*

### **ROE #21 is in its Third Instructional Coaching Cohort! (Virtual)**

For school year 2020-2021 the Instructional Coaching Cohort #3 has 21 Coaches participating in training. **School Districts & ROEs Participating in Cohort #3:**

- Harrisburg School District
- Mt. Vernon High School District
- Project ECHO Alternative School
- Zeigler-Royalton School District
- Instructional Coaches from ROE #33

ROE #21 is set to begin Instructional Coaching Cohort #4 on September 17, 2021. We currently have 35 individuals across the State of Illinois registered for this cohort.

### **IL Empower 2.0**

IL-EMPOWER provides school improvement where schools, districts, partners, and the state work collaboratively to promote shifts in practice based on each school's improvement needs. IL Empower builds capacity in the areas of Governance & Management, Curriculum & Instruction, and Climate & Culture. Consultants through ROE #21 work with districts to provide individualized professional development to the targeted and underperforming districts in our region.

### **Grow Your Own Grant (GYO)**

In collaboration with SIU Carbondale students in the Teacher Education Program receive support from the Regional Office of Education through purchasing laptops, software, and professional development. GYO candidates complete a traditional four-year college bachelor's degree in education. For those candidates who already have a bachelor's degree, they complete a master's in education or take the additional courses required to earn their teaching certification. GYO candidates must satisfy all the state requirements to become licensed teachers. GYO is not an alternative certification program. GYO candidates receive financial, academic, and emotional supports to assist them in completing their degrees. In return for the support provided by the program, GYO graduates commit to teaching at least five years in a high-needs school or in a high-needs teaching position. Currently ROE 21 and SIUC are supported 9 students this year.

### **Elevating Special Educators Grant**

The Elevating Special Educators Grant is a federally funded grant focused on mentoring teachers. This grant will focus professional development on high leverage special education practices in the field of early literacy. Professional development will support collaboration between teachers, parents, and other service providers as well as allow teachers to choose the professional development opportunities that meet their needs and the needs of their school communities. Dr. Christine Wiggs was hired to serve as the Regional Specialist for Area VI.

**The support staff for ROE #21 are located in each county office. Below are some of the contacts they make with the public on a daily basis through various forms of communication.**

### **COMMUNITY PREVENTION RESOURCES**

Community Prevention Resources (CPR) is a comprehensive grant-funded program by the Illinois Department of Human Services (DHS) to provide substance abuse prevention services to communities in Franklin and Saline counties. The Regional Office of Education #21 serves as the administrative agent for the program, and funds two full-time employees: Kate West, Director & Samantha Lampley, Prevention Specialist.

In the fourth quarter of the 2020-21 school year we helped the Eldorado Middle School Youth Advisory Committee raise awareness with National Prevention Week, promoted the spring DEA National Take Back Day, taught My Generation RX at Harrisburg Middle School, met with Administration for an IYS data review, and continued our three communication campaigns: Use Your Cube, The Elephant is in the Room, and the state-designed campaign I Don't Vape.

**National Prevention Week (NPW):** We partnered with WSIU Public Broadcasting to help Eldorado Middle School students raise awareness for National Prevention Week through video. The Youth Advisory Committee focused on three awareness days: Preventing Prescription and Opioid Misuse (May 10), Preventing Underage Drinking and Alcohol Misuse (May 11), and Preventing Youth Tobacco (Vaping and E-Cigarettes) (May 13).

This was a student led project with the WSIU team guiding best practices and helping with production. The Youth Advisory Committee developed skits to highlight an example of each issue and interviewed students and EMS staff. The video, "Eldorado Middle School Takes Action" was screened schoolwide and released through social media with supportive facts for parents and the community.

**National Take Back Day:** This national spring event was held 10am-2pm on April 24, 2021. We promoted participating drop-off locations and distributed educational materials across our service area.

**Youth Prevention Education My Generation RX:** We taught My Generation Rx to 7<sup>th</sup> grade students at Harrisburg Middle School in April. Throughout 2020-21, Community Prevention Resources delivered at least one session of My Generation Rx to 441 students in 7<sup>th</sup> and 8<sup>th</sup> grade.

**Illinois Youth Survey (IYS):** Community Prevention Resources included two questions in the annual ROE#21 Needs Assessment Survey to gather information from a wide variety of schools. We also met with the administration of one school for an IYS data review and with administrators from several schools regarding their 2022 IYS registration and survey administration.

**Communication Campaigns:** We distributed materials, collected and analyzed feedback from our three target audiences (Middle School Youth, Middle School Parents, and High School Youth), and started updating marketing plans for the 2021-22 school year.

Throughout 2020-21 we served two counties, five schools, and traveled approximately 5,640 miles to deliver programming.

**Franklin County Regional Delivery System for Career and Technical Education (FCRDS-CTE) Education for Employment #525**

FJMW Regional Office of Education serves as Fiscal Agent for the Franklin County Regional Delivery System for Career and Technical Education cooperative. The programs are funded by the Career and Technical Education Consolidated Grant, formerly the Federal Perkins Grant and State of Illinois Career and Technical Education Initiative Grant. Cooperating school districts include Benton Consolidated H.S., Christopher H.S., Frankfort Community H.S., Sesser-Valier H.S., Thompsonville H.S., and Zeigler-Royalton H.S.

Mr. George Hopkins serves as the Director of the FCRDS, whose IL State Board of Education identification is Education for Employment # 525. (EFE 525). Mrs. Jan Farkas serves as Administrative Assistant. As of July 1, 2021, Director Hopkins will retire after 14 years as System Director and Assistant Farkas has been hired by the FCRDS Board of Control to become Director at that time. Nancy Kinsi has been hired to serve as the Asstant System Director. Director Hopkins wishes to thank all colleagues, co-workers, and Franklin Co Board officials for their cooperation, assistance, and friendship.

The FCRDS-EFE 525 is governed by the FCRDS Board of Control, which consists of Franklin County school superintendents and the ROE 21 Regional Superintendent. ROE 21 serves as the entity's fiscal agent.

The Franklin County Regional Delivery System supports programs in Agricultural Education, Business, Marketing, and Computer Education, Family and Consumer Sciences, Technology and Engineering, Health Science Technology.

Programs are supported through state and federal grants designed to supplement CTE programs. Allowable expenditures for these grants include: Instructional materials, instructional equipment (capital outlay); partial salary payments to districts to help ensure affordability of qualified instruction; tutorial services for students; and professional learning activities for CTE teachers.

The Franklin County Regional Delivery System-EFE 525 also provides supplemental funds for Elementary (K-8) Career Exploration programs and materials at Akin CCSD 91, Benton CCSD 47, Christopher CUSD 99, Ewing-Northern CCSD 115, Frankfort CUSD 168, Sesser-Valier CUSD 196, Thompsonville CUSD 174, and Zeigler-Royalton CUSD 188.

FCRDS-EFE 525 conducts Workshops and hosts ISBE-sponsored professional learning activities for educators in Franklin and neighboring counties per CTE/Perkins Programs of Study requirements. FCRDS-EFE 525 prepares and submits to the Illinois State Board of Education various reports regarding program operation, assessment, and improvement.

Until COVID-19 affected educational process, FCRDS-EFE 525 operated two "Regional" CTE classes available to Franklin County students:

Construction Trade Class, which provided a double-period class on all areas of construction, and

Entrepreneurial Class—nicknamed the EDGE Program, an acronym for "Entrepreneurial Development, Growth, and Education" the study of entrepreneurship ... creating and operating a business. This class was mostly funded by Franklin Co Regional Economic Development Corporation (FREDCO), while FCRDS-EFE 525 acted as the educational liaison between that entity and Franklin Co school districts.

Construction Trades Class -- Over the past four years, Construction Trades students have built and sold a Tiny House, constructed items for the Benton Library Garden, including a 12'x16' storage facility, constructed walls and soffits for a non-profit agency, walls and ceilings for offices at new Ewing Village Office, and a 12'x 20' storage facility, among other items. In school year 2019-20, the class assisted Habitat for Humanity by providing labor for that organization's most recent new house, building a front porch, interior walls, running electrical wire, etc.

Entrepreneurial (EDGE) Class -- This entrepreneurial class acquaints students with knowledge and skills necessary to own and operate their own businesses. Topics of the class include economics, marketing principles and strategies, human relations and psychology, business and labor law, legal rights and responsibilities of business ownership, financial planning and accounting, and business communication. Students are required to plan and execute a business plan and operate a bona-fide business.

AS THE COVID PANDEMIC HAS AFFECTED SCHOOLS AND SCHOOLING IN MYRIAD WAYS, THE FCRDS-EFE 525 BOARD OF CONTROL WAS COMPELLED TO CANCEL THESE TWO UNIQUE CLASSES FOR THE 2020-21 SCHOOL YEAR, BUT IT IS CERTAINLY THE INTENT OF THE BOARD TO BRING THESE PROGRAMS BACK AS SOON AS POSSIBLE WHEN SAFE CONDITIONS RETURN.

NEW EDUCATIONAL OFFERING FOR FY 2021 -- Following approval from ISBE, EFE 525 is piloting an instructional elementary school program in the 2020-2021 school year which will increase CTE "footprint" in lower grades while modeling best instructional practices from the International Technology and Engineering Educators Association (ITEEA) targeted to 6<sup>th</sup> grade students. EFE 525 will provide an instructor to present lessons to each 6<sup>th</sup> grade classroom in Franklin County beginning in the spring semester of the 2020-2021 school year.

INTERGOVERNMENTAL COOPERATIVE AGREEMENT -- The six high schools in Franklin County annually approve an agreement that is the basis for FCRDS-EFE525. Per The Open Meetings Act, Illinois St Bd of Education rules, and Board of Control authorization, the FCRDS Director publishes notice of Joint Agreement Budget on review 30 days in advance of a public hearing that is conducted in August or September of each fiscal year at Regional Office of Education 21 in Benton.

ALLOCATIONS FOR FISCAL YEAR 2021 -- Fiscal Year 2021 original CTEI Grant Allocation was \$242,000., but we captured an additional \$5,468 through an amendment. In order to capture these funds, the newly renovated CTE Consolidated Grant has been written and was approved by ISBE. To date, the entire allocation of \$247,468 has been received by FCRDS and is being shared among the school districts in Franklin County per state regulations. FCRDS recently submitted a "Career Exploration Grant" and was approved for an additional \$15,000 to deliver a 3-year program to middle school students to enhance their understanding and knowledge of what careers are available to them and what educational paths are involved.

Fiscal Year 2021 Perkins Grant Allocation is \$86,526. This budget, which is now a part of the new CTE Consolidated Grant, has also been prepared and submitted by FCRDS and approved by ISBE. Thus far, \$80,830 has been received/reimbursed for expenses.

During 4<sup>th</sup> Quarter of FY 21, FCRDS-EFE 525 has conducted business/attended meetings, and/or planned and delivered professional development programs for Franklin County teachers as follows:

- 3/1/21 - Bi-Annual phone audit with David Osborne, EFE 525 Principal Consultant
- 3/2/21 - Review/Evaluation of Programs of Study meeting with Thompsonville High School
- 3/2/21 - Review/Evaluation of Programs of Study meeting with Benton High School
- 3/3/21 - Review/Evaluation of Programs of Study meeting with Zeigler High School
- 3/4/21 - Meeting with STEM teachers A Odle and L Newman at to set up 6<sup>th</sup> grade STEM lessons in all county schools.
- 3/9/21 - Attended, via Zoom, RLC Auto Technology Advisory Board Committee meeting
- 3/10/21 - Review/Evaluation of Programs of Study meeting with West Frankfort High School
- 3/11/21 - Meeting with superintendents at BUZZ Restaurant for networking session
- 3/15/21 - Review/Evaluation of Programs of Study meeting with Sesser High School
- 3/17/21-- Attended/chaired Region 6 System Directors' Meeting via Zoom
- 3/19/21 - Review/Evaluation of Programs of Study meeting with Christopher High School
- 3/22/21 - Attended JAL Accounting and Small Business Advisory Committee meeting
- 3/23/21 - Rend Lake College Advisory Board meeting for Entrepreneurship programs via Zoom at 5:30 p.m.
- 3/25/21 - 3<sup>rd</sup> Quarter FCRDS Board of Control Meeting at ROE 21 Office at 9 a.m.
- 4/7/21 - System Directors' Leadership Conf (SDLC) meeting/webinar; 9:30 - 12 noon
- 4/14/21 - EDGE Zoom meeting; 9-11:30 a.m.
- 4/15/21 - Region 6 Directors' Meeting (via Zoom); 10-12 noon
- 4/23/21 - Connections Conference (J Farkas attended "virtually")
- 4/30/21 - FCRDS-sponsored Student Learning Excursion for ZR High School CTE students to Magnum Steel in Mt. Vernon
- 5/3-7/21- Cutting Edge Careers Live On-Line Event for CTE teachers and students sponsored by ISBE.
- 5/5/21 - SDLC (state Directors' meeting via Zoom: 9-1 pm
- 5/10/21 - Writers' Workbench Professional Development Workshop at Benton High School, provided by FCRDS
- 5/11/21 - EDGE meeting at 9 a.m.
- 5/18/21 - FCRDS-sponsored Student Learning Excursion for Benton High School CTE students to Magnum Steel in Mt. Vernon
- 5/19/21 - Region 6 System Dir meeting; 10:30 a.m.
- 6/21/21 - Career Exploration Grant Zoom Meeting; 10 a.m.
- 6/23/21 - EDGE Meeting at EDGE classroom; 9 a.m.
- 6/24/21 - FCRDS 4<sup>th</sup> Quarter Board of Control Meeting; 9 a.m. at Campbell Bldg Conference/Break Room
